Hear Whom ever:-

I feel it imperative that every American citizen and voter realize and fully understand the true meaning of the Motor-voter bill signed into law by Mr. Clinton. That the framers of this bill explain to your viewers why they do not trust the judgement of the citizens of this country to vote the right way. That you do not have to be an American citizen to vote - the people who blew up the Trade Center in N.Y. can vote - that every illegal immigrant in this country can vote - they don't even have to know why or speak English - there are at least 23 million here already and more every day - that's a good vote for the Democrats. I want to hear from the "horses mouth" why the treachery -
