

Dear Bryan:

Bless you and C-Spon.
I had written recently
to praise your balance
and fairness, being
troubled by so many
criticisms of that day.

I did faceiously
request that you merely
refrain from invitations
to Christopher Witches.

And, here he is
again, spouting his
idiocies — but bless
you anyway — because
here is also brother Peter,
a bulwark he bounces
off of, quite delightedly,
(for me).

It's a joy to watch
them parley. So happy for
Peter's presence, but
Christopher does have a
certain magnetism

that both fascinate
and repels me.

It was a stroke of
genius on your part
to love them both.

Play them again, please.

Gratefully
