C-Span,

Since I can't possibly afford to call your program and probably couldn't get through anyway.

I would like to give you my opinion about your Sat. morning Wash Journal program. I believe the guest host, Marc Lacey from L.A. times is the most biased host I have ever witnessed. I usually turn on C-Span and if I see him, I just turn it off because I don't need the stress.

This last Sat. 9/4/99, I decided to let it on because I liked the girl who was speaking. Her name was Jennifer, sorry I don't remember her last name.

She leaned toward the opinions of the Republicans which is a real no, no. Nothing like the fellow this morning 9/7/99

Craig Hanna. (House democratic policy) anyway, during the program Sat. a caller called in & was upset because she seemed to favor the republicans and said he didn't think C-span should allow her to be there so, Marc just stepped her, never told us why, he just went to open phones.

It seemed to me that he was allowed to step the program if one of the liberals was offended.

I know we all have different opinions & it is in the eyes of the beholder but, why can't we just turn it off if we don't agree, we don't have to listen.

I will say that I believe you are very fair and all of your regular hosts try to be fair.

I do appreciate C-span and I thank you for it.

Sincerely,

Santa Clarita, Ca. 91321
