Deat Brian: Your S.S. program, this date, excellent but not long enough each time someone in authority is on. *OW*
I have tried Congressman (who gives different answer to similar question on G-Span provider SS) also NO response at all from Senator (Graham). local office doesn't know + also gives wrong infmn. Please have SS authoritative people on + longer or more frequent programs. Also, no one asked today how come thousands of prisoners collect SS (as shown on Prime Time live?) They are young + healthy men!
