To Whom it May Concern: Oct. 11, 1999

If possible, I'd like to obtain a copy of the speech of Justice Sandra Day O'Connor about her bout with breast cancer. It was exceptional and would be very helpful to anyone undergoing similar circumstances. Please let me know if it is possible to get a copy. Thank you for your help in this matter and for all the ways you provide interesting and stimulating programs.

Sincerely yours,
