

11-25-98 (The Day Before Thanksgiving)

I have a suggestion. Apparently, we in this Country have NOTHING for which to be THANKFUL so-o-o let's have a 3-hour program to call the President of this HORRIBLE Country any name you so choose.

The meaner the BETTER! Then - let's have Mr. Grandy & Mr. Moody for two hours and have Mr. Grandy take over and for goodness sake - don't let Mr. Moody SPEAK!

Perhaps for your CHRISTMAS SHOW, you could invite the three Clintons & encourage Democrats to leave the Country.

You could provide an Arena & millions of stones and you could entertain the Republicans until you know what. Don't forget Buddy & Socks!!!

I'm seriously contemplating throwing my three L.V. Sets in the river so I won't be tempted to watch your Dog & Pony Show ever again!
