Dear C-Span Network, 1836-90

MAY 18 REC'D

We are writing to express our appreciation on the coverage your network gave to the Rally for Life 90 on Sunday, April 29th.

Many times it is difficult to find good coverage on special events and applaud C-Span's coverage on this event.

Is there any possibility of getting a copy on video tape? If so, what would be the cost?
