Dear Mr. Murphy:

This is to thank you from
the bottom of my heart for
taking a brave and courageous,
yet popular, programming
step by the live continuous
coverage of the March on
Washington Mall rallies
in April 1993.

It was indeed a thrill
to share watching your
channel live, since I
could not be there. I
will continue to support
C-SPAN in every way possible
when decisions like these are made.

Sincerely,
[REDACTED]
