

Dear Sir **Newer**

I am a 75 year old

man. I took your
program today.

Columbia, MO. 65202-1452

I just want to drop
you a note and say
I still can't tell where
you stand and that is
the way it should be.
Your show is fair
and I enjoy it more
than any other talk

program. For me
to watch a show I
need to respect the
person that keeps
a neutral position.
I am a vet of two
wars a Pearl Harbor
survivor and lived
during the Depression
so I have a good idea
of life and its ups
and downs. Sincerely

man and I watch your
program every day.
