Greetings Brian,

I heard you last  
night - week on the Terry  
Williams radio program.  
Good luck on your  
battle to save + keep C-Span.  
If you need fighters here  
in the Boston area, we are  
ready. Teddy R said, "Aggressors  
fighting for the right is  
the noblest sport in the  
world." Best,

Brian Hambl
