

I am sick unto death of administra-  
tion "talking heads" all day Sun. am,  
spinning their propaganda - never saw  
anything like this Clinton propaganda  
machine [I also blame Rep. + media,  
for stupidity]

Binder should be on all week or  
as long as this fiasco continues! Give him 1/2  
hr every am as C-Span "analyst" (truth-  
teller) on the Balkans! Boris [redacted] does the public  
need him - [redacted] Windsor Locks, Ct 06096

Thank God

for

D. Binder (on  
your a.m. C-Span)-  
finally, an intell-  
igent + reasonably  
objective view of  
the Balkans
