To whom it may concern,

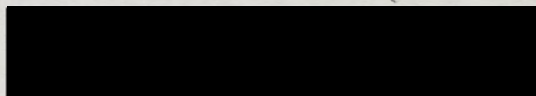

Firstly, I would like to express my thanks to the entire staff at C-SPAN for the many hours of enjoyment you have provided for these many years.

I would like to know the name of the piece which you play before your gam journalist interviews (it's a Baroque Fuge I believe).

I would also like some

information on your
presentation of BBC World
Service - I was told
that you broadcast this
in some way.

Yours most
sincerely.
