Dear Mr. Murphy,

I am the mother of two wonderful  
Contributing, loving, honest, kind, educated,  
informed, caring children who happen to  
be gay. Thank you for giving the March on  
(over)

Washington for Lesbians, Gay + Bi Equal Rights  
such good coverage. Perhaps with more  
exposure more people will begin to understand  
+ accept my children + others like them.

San Diego, CA 92168
