Dear Angela,

I wish to thank C-SPAN for broadcasting the address by Madalyn Murray O'Hair on April 21, and for your letter announcing the broadcast. The letter was a nice personal touch. My family, friends and of course myself enjoyed the address. The coverage was excellent as usual! This was a historic event in that this was the first time that any Atheist has ever been allowed to address a National audience in a non-adversarial mode. I hope C-SPAN will continue to air programing of such high standards. Thankyou.

Sincerely,
